MORE AND MORE. WE TRY TO STAY AWAY AS MUCH AS POSSIBLE. WHEN SAILOR WAS A PUPPY WE LET OUR OTHER DOG PLAY WITH SAILOR. AFTER A YEAR OF CONTINUALLY BEING TIED UP, SAILOR KEPT GETTING MORE AGGRESSIVE TOWARDS OUR DOG, WE STOPPED LETTING THEM PLAY. WE WERE ABLE TO TIE SAILOR UP WHEN HE GOT LOOSE AND UNTRANGLE HIM FROM TREES. BUT FOR THE LAST YEAR HE IS MUCH MORE TERRITORIAL AND WE ARE SCARED TO APPROACH HIM, THE KIDS THROW STICKS AT HIM.

1/2/04 GOT A FAX FROM BECKY LACKEY 3328 ARGONAUT DR. H) 422-2883 SHE STATES: HER HUSBAND AND I HAVE COMPLAINED NUMEROUS TIMES ABOUT THE DOG. THE DOG GOT OFF IT'S CHAIN ONE MORNING AND WAS IN MY FRONT YARD. I OPENED THE DOOR TO WALK MY DOGS, THE DOG WAS STANDING THERE GROWING AT ME AND SHOWING HIS TEETH. THE DOG HAS BIT 2 PEOPLE, 1ST TIME ABOUT 6MTHS. AGO, THE 2ND TIME ON 12/27/03. THE 2ND TIME IT BIT A YOUNG GIRL ON THE LEG WHICH REQUIRED TO GET STITCHES. WE (RESIDENTS) CAN'T WALK BY THE DOG WITHOUT IT CHARGING US, I WALK MY TWO DOGS ON LEASHES AND THE DOG BARKS AND GROWLS LIKE IT IS READY TO ATTACK MY DOGS AND ME. THE DOG IS CHAINED OR SOMETHING SIMILAR SO IT CAN'T GET TO INDIVIDUALS OR OTHER PETS, BUT IT FREQUENTLY GETS OFF THE CHAIN. THE DOG RESIDES ON PROPERTY THAT OWNER DOES NOT OWN. THE PROPERTY IS OWN BY LAKE SHORE ESTATES HOMEOWNERS ASSOCIATION. THE ADDRESS GIVEN AS THE MAIN ADDRESS OF THE HOMEOWNERS ASSOCIATION IS THE ADDRESS OF TWIN ACTION PROPERTIES. THE DOG IS A NUISANCE TO SOCIETY ESPECIALLY THE LAKE SHORE ESTATES NEIGHBORHOOD. I AM NOT ASKING THAT THE DOG IS PUT DOWN BUT ASKING FOR SOMEONE TO STEP IN BEFORE THAT DOG SERIOUSLY HURTS SOMEONE, IT SHOULD RESIDE ON IT'S OWNER'S PROPERTY BEHIND A FENCE.

1/16/04 TALKED TO MARY STRAUB ON PHONE FROM SEMINOLE ANIMAL HEALTH CLINIC 2520 CAPITAL CIR. S.E. 942-6650. SHE STATES THE DOG IS VERY NICE AND A GOOD DOG. THEY HAVE NO PROBLEM WORKING WITH THE DOG. THE DOG IS VACCINATED AGAINST RABIES. 11/23/03 THRU 11/02/04.

NARRATIVE:

On January 26, 2004, this officer spoke with witness Torri Mauldin concerning the incident on 12-27-03. Torri stated she and her friend, Emily Shirkey, were riding their bikes towards the dead end on Argonaut Drive when they spotted a black and white dog. Emily got off her bike and started to approach the dog. The dog backed into its house. Emily was approximately 2 yards from the road when Torri told Emily to stop. Torri stated she did not like the way the dog acted and feared for Emily. The dog did not bark or growl. Emily stopped and turned around when the dog came out of its house and grabbed and bit Emily. Torri managed to help Emily get away from the dog and yelled for help. They ran up to houses and knocked on several doors before a stranger came to their assistance. Emily phoned her mother, Carol Shirkey, who came and picked up both girls. They left their bikes with the stranger until Torri's dad picked them up.

Torri did not know why the dog attacked. She said Emily did not have anything in her hands; no stick, food, or toy. She did not yell or scream to the dog. No threatening jesters. Torri also stated this was the first time she had been on this street.

The dog was tied to a tree, with some type of cord, next to the dog house. There were no signs or warning notices in the area or near the dog house.

Children taunt the animal and throw sticks and stones
at it. This dog is neglected. It is kept outside in
freezing temperatures and has almost no interaction with humans.
When I have approached the animal it has been gentle.
The investigation should be on the owner, not the animal.

☒ Yes I have

Explanation: ^{past} For the year, Sailor (the dog) has been less trusting of people, hides in the woods, and barks at almost everyone that goes by. We have one dog that ~~ark~~ barks at Sailor, and Sailor charges out from the woods, and when he does this, he reaches the end of the leash, and falls hard on his back. A couple of times, the leash has broken and Sailor has charged us and our dogs. Nothing ever happened, but Sailor is barking more and more, and we try to stay away as much as possible.

☐ No

2. Do you have any information you feel would be helpful in our investigation of the pending classification of the above mentioned animal(s)? If yes, please give as detailed information as possible to fairly assess the situation.

We have also witnessed children throwing sticks at the dog on several occasions. When sailor was a puppy (and tied to a truck), we let our other dog play with sailor, but after a year of continually being tied up, sailor kept getting more aggressive towards our dog. We stopped letting them play. We were also able to tie sailor up when he got loose and untangle him from the trees. But for the last year, he is much more territorial, and we are scared to approach him. Also, he is scared of fireworks and the kids in the neighborhood shoot them off and scare him.
